Motion for Extension of Time to Answer Plaintiff's 1st & 2nd set of discoveries Siting Medical and financial reasons

I am requesting an extension of time to respond to "Opposer's" LeMans Company's 2nd set of discovery request.

Reason

Medical/Financial

Last month I (the applicant) suffered a serious back injury involving my sciatic nerve. I have not returned to work in a month and have been unable to address the applicants request for responses in a proper manner. I have documentation of this event and would be able to provide the board with any additional information that would confirm this. This also sent me back once again financially as I am attempting to seek further legal counsel. I do not fully comprehend what oppose (Lemans Corp is requesting). I to the best of my ability have attempted to get "pro" bono services provide to me regarding this matter to no avail. The majority of trademark attorneys I've spoken with charge between \$200-350 per hour which is far out of my current capabilities. Lemans Corp (opposer) has 2 or 3 separate individuals requesting and submitting information to me at any given time. Since my motion to dismiss was not filed correctly, I'm not sure what further options I have in this matter other than hiring another attorney to represent me.

Best regards

LeMar Lewis
